Guinness Greater China Fund (the "fund"), Class F EUR Accumulation, a sub fund of Guinness Asset Management Funds plc (ISIN: IE000PL4LIL5)

The Fund is managed by Waystone Management Company (IE) Limited.

Objective & Investment Policy

Objective

The fund aims to increase the value of the amount you invest in it over a period of years.

Investment Policy

The fund invests in the shares of a range of companies based in, or with significant business activities in China and/or Taiwan.

Essential features of the fund:

- The fund invests at least 80% of its net assets in equity securities of companies with a market capitalization typically in excess of US\$200 million at the time of initial investment, that are either primarily traded on the China Markets or in Taiwan (such as China H Shares), or that derive at least 50% of their revenues from business activities in China or Taiwan, but which may be listed and traded on other Recognised Exchanges.
- The fund may invest in excess of 20% of its Net Asset Value in emerging markets.
- Under normal market conditions the fund intends to invest in at least 20 stocks.
- The fund may invest in securities of companies with a wide range of market capitalizations and in companies domiciled throughout the world.
- The fund is considered to be actively managed in reference to the MSCI Golden Dragon Index (the "Benchmark") by virtue of the fact that it uses the Benchmark solely for performance comparison purposes.
- You may sell your investments on any working day in Ireland and the UK.
- Any income the fund receives will be reinvested to grow the value of your investment.
- Recommendation: this fund may not be appropriate for investors who plan to withdraw their money within five years.

Risk and reward profile

- This indicator shows how much a fund has risen and fallen in the past, and therefore how much a fund's returns have varied. It is a measure of a fund's volatility. The higher a fund's past volatility the higher the number on the scale and the greater the risk that investors in that fund may have made losses as well as gains. The lowest number on the scale does not mean that a fund is risk free.
- The fund has been classed as 6 because its volatility has been measured as above average to high.
- This indicator is based on historical data and may not be a reliable indication of the future risk profile of this fund.
- The risk and reward profile shown is not guaranteed to remain the same and may shift over time.
- Please note that even funds with the lowest rank may lose you money.
- Sustainability Risk - The fund may be subject to sustainability risk, meaning an environmental, social or governance ("ESG") event or condition that, if it occurs, could cause an actual or a potential material negative impact on the value of an investment.
- For full details of the fund's risks, please see the prospectus which may be obtained from the address in 'Practical Information' below.
