

Charges for this fund

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry Charge	5%
Exit Charge	None
Charges taken from the Sub-Fund over the year	
Ongoing Charges	1.00%
Charges taken from the Sub-Fund under certain specific conditions	
Performance Fee	None

The entry charge shown is a maximum figure. In some cases investors may pay less. You can find out the actual charges from your financial advisor or distributor.

The ongoing charges figure is capped at 1.00% until further notice. They exclude portfolio transaction costs, except in the case of an entry/exit charge paid by the fund when buying or selling units in another collective undertaking. The fund's annual report will include detail on the charges made.

You may also be charged a dilution levy to cover dealing costs incurred by the fund when it buys or sells investments on your entry to or exit from the fund.

For more information about charges, please see the sections of the prospectus and the relevant supplement to the prospectus headed 'Fees and Expenses', each of which may be obtained free of charge from the addresses in 'Practical Information' below.

Past Performance

- Past performance is not a guide to future performance.
- The past performance in the chart shown opposite is net of tax and charges but excludes the entry charge that may be paid on the purchase of an investment.
- The fund and share class launched in October 2020.
- Performance is calculated in Singapore Dollars.
- The UK Retail Prices Index has been selected as the fund's target return benchmark as the fund aims to achieve a return (the money made or lost on an investment) that is above the rate of inflation. The UK Retail Prices Index is used to measure the rate of inflation.
- The UK Official Bank Rate is used as a comparator which may assist investors in evaluating the fund's performance when compared with returns available from cash.
- Other performance comparators may be used and are available upon request.
