William Blair SICAV U.S. Small-Mid Cap Growth Fund - Class A EUR

This Fund is managed by William Blair Investment Management LLC
The independent Management Company of the Fund is FundRock Management Company S.A.

The aim of the Product is to provide capital growth by investing primarily in a diversified portfolio of equity securities issued by small and medium sized U.S. companies that are expected to experience quality growth characteristics. The Investment Manager will primarily choose companies no larger than the largest company in the Russell Midcap® Index at the time of investment. The Product's performance is measured against the Russell 2500™ Growth Index. The Product is actively managed within its objective and is not constrained by a benchmark.

This Product promotes environmental and/or social characteristics within the meaning of Article 8 of SFDR.

Any income generated by the Product is reinvested to grow the value of your investment.

The Risk and Reward Indicator table demonstrates where the Fund ranks in terms of its potential risk and reward. The higher the rank the greater the potential reward but the greater the risk of losing money. It is based on past data, may change over time and may not be a reliable indication of the future risk profile of the Fund. The shaded area in the table below shows the Fund's ranking on the Risk and Reward Indicator.

A horizontal array of seven gray boxes, each containing a number from 1 to 7. Above the array is a long double-headed arrow. The box containing the number 6 is highlighted in blue.
