WHAT IS THIS PRODUCT?

Type:	An umbrella fund constituted as a unit trust established pursuant to the Unit Trusts Act, 1990.
Term:	The Fund does not have a targeted closure date and may be liquidated at any time, as further detailed in the Prospectus
Objectives:	<p>To provide long-term capital growth by investing in Hong Kong, China and Taiwan.</p> <p>Investment Policy: The Fund invests at least 70% of its total assets (excluding cash and cash-equivalent assets) in shares of companies incorporated in, exercising the predominant part of their economic activity in, or quoted or traded on stock exchanges in Hong Kong or China.</p> <p>The Fund will invest at least 50% of the Fund's total assets in equities of companies that exhibit positive or improving environmental, social and governance (ESG) characteristics. Further detail of the Investment Manager's, Public Equity: ESG Integration & Active Engagement Policy for equity Funds including the Fund is available on the Manager's website at www.barings.com.</p> <p>The Fund is also permitted to invest to a lesser extent in shares of companies outside the Fund's principal geographies (including but not limited to Taiwan), market sectors, currency or asset classes. Furthermore, it may invest in shares of companies that exhibit less positive environmental, social and governance (ESG) characteristics.</p> <p>The Fund may use derivative instruments for both investment and hedging purposes. The return on a derivative is linked to movements in an underlying instrument referenced by the derivative such as currency or interest rates. The base currency of the Fund is USD.</p> <p>Share Class Currency Hedging: This Share Class is not hedged. Therefore the performance of this Share Class will be impacted by foreign exchange rate fluctuations between the Share Class currency and the base currency of the Fund.</p> <p>Distribution Policy: N/A - Income will be rolled up into the value of your investment.</p> <p>Dealing Frequency: Daily. Investors can buy and sell their shares on demand on each Business Day (as defined in the Prospectus).</p> <p>Benchmark: MSCI China 10/40 (Total Net Return) Index. The Fund is actively managed and is not designed to track the Benchmark so its performance may deviate materially from the Benchmark. The investment manager has complete discretion in making investments and is not constrained by the Benchmark. The Fund may invest significantly in instruments which are not included in the Benchmark. The Benchmark is used only for risk management and performance comparison purposes. The investment manager may consider, for example, issuer exposures, sector weights, country weights and tracking error in each case relative to the Benchmark but does not use the Benchmark as an investment limitation.</p>
Intended Retail Investor:	The Fund is intended for all investors seeking capital growth over a long-term investment horizon. Investors should have the ability to bear losses up to the amount they have invested in the Fund. The Fund does not offer capital protection.
Depositary:	Northern Trust Fiduciary Services (Ireland) Limited
Further Information:	Barings International Umbrella Fund is an umbrella structure comprising a number of Sub-funds, one of which is this Fund. This KID/KIID is specific to the Fund and Unit Class stated at the beginning of this document. Further information about other Unit Classes can be found in the Fund's Prospectus. You can obtain further information on this Fund including the full Prospectus, latest annual report and accounts and any subsequent half-yearly report and accounts (which are prepared for the entire umbrella), free of charge at www.barings.com or upon request from Barings offices.
Practical Information:	The Fund's price is calculated for each dealing day and is available online at www.barings.com and/or www.euronext.com/en/markets/dublin . Information on how to buy, sell and switch Units is available by contacting Barings (see above for contact details).

WHAT ARE THE RISKS AND WHAT COULD I GET IN RETURN?

Risk indicator

The risk indicator assumes you keep the product for 5 Years. The actual risk can vary significantly if you cash in at an early stage and you may get back less than your initial investment. You may have to pay significant extra costs to cash in early.

You may not be able to sell your product easily or may have to sell at a price that significantly impacts on how much you get back.

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

Performance scenarios

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back.

What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the product / a suitable benchmark over the last 10 years. Markets could develop very differently in the future.

Recommended holding period: 5 Years Investment 10 000 USD			
Scenarios		If you exit after 1 year	If you exit after 5 years (recommended holding period)
Minimum	There is no minimum guaranteed return. You could lose some or all of your investment.		
Stress scenario	What might you get back after costs	1 640 USD	1 230 USD
	Average return each year	- 83.56 %	- 34.21 %
Unfavourable scenario	What might you get back after costs	4 970 USD	5 260 USD
	Average return each year	- 50.31%	- 12.05%
Moderate scenario	What might you get back after costs	9 750 USD	11 940 USD

Favourable: This type of scenario occurred for an investment between 03/2016 and 02/2021.

WHAT HAPPENS IF BARING INTERNATIONAL FUND MANAGERS (IRELAND) LIMITED IS UNABLE TO PAY OUT?

The assets of the Fund are segregated from those of Baring International Fund Managers (Ireland) Limited. The Depositary is responsible for the safekeeping of the Fund's assets. To that effect, if Baring International Fund Managers (Ireland) Limited defaults, there will be no direct financial impact on the Fund. In addition, the Fund's assets shall be segregated from the Depositary's assets, which limits the risk of the Fund suffering some loss in case of default of the Depositary. You may face a financial loss if your broker or the entity from whom you purchased the Fund was to default.

As an investor in the Fund, there is no compensation or guarantee scheme in place.

WHAT ARE THE COSTS?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over Time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product does. The amounts shown here are illustrations based on an example investment amount and different possible investment periods:

We have assumed:

- In the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.
- USD 10 000 is invested.

Investment 10 000 USD	If you exit after 1 year	If you exit after 5 years
Total Costs	259 USD	1 091 USD
Annual Cost Impact*	2.6 %	1.8 %

(*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 5.4% before costs and 3.6% after costs.

Composition of Costs
